PROFESSIONAL SUMMARY

SEO specialist and internet researcher with 7+ years of continuous experience (2019–present) auditing websites, resolving on-page SEO issues, and researching business decision-makers for outreach and lead generation. Skilled in technical SEO tools, data validation, and clear, deadline-driven reporting. Background in technical customer support with a track record of problem resolution and clear communication.

WORK EXPERIENCE

SEO Auditor / Internet Researcher

Salience | April 2022 – August 28, 2026

- Audit client websites end-to-end to identify technical, on-page, and competitive gaps using Ahrefs, Screaming Frog, Siteliner, BuzzSumo, Link Research Tools, Searchmetrics, Google Analytics, PageSpeed Insights, and Google Trends.
- Compile findings into clear, actionable audit reports delivered via Dropbox and Google Drive; manage workload and deadlines in Asana and coordinate with teams through Slack.
- Identify company decision-makers using LinkedIn Sales Navigator, extract and validate contact data with Skrapp and Excel, and deliver clean, upload-ready lead lists.

SEO Specialist (On-Page)

BIG Catch Digital | January 2019 – March 2022

- Audited and resolved duplicate, missing, and truncated title tags and meta descriptions across client sites to improve on-page SEO health.
- Identified and corrected missing or duplicate H1 tags; optimized title tags, meta descriptions, page content, and images for search relevance.
- Built and optimized local citations to strengthen clients' local search visibility.

Tier 2 Technical Support

Convergys (Time Warner Cable) | October 2012 – December 2016

- Diagnosed internet connectivity issues for Time Warner Cable customers, distinguishing system-side from customer-side problems and resolving issues directly.
- Scheduled technician dispatches for hardware issues; updated customer account and service records in the CRM and documented/escalated unresolved issues per protocol.
- Identified upsell opportunities and promoted qualified upgrades during support calls.

SKILLS & TOOLS
